Late April is the time to see the cherry blossoms in the north of Japan. On the North Sakura tour, I'll show you the sakura in the nature of the far north of Japan. We'll pass through rural towns, castle grounds and into Hokkaido. This tour is ideal for first or second time travellers to Japan, but is especially for those who'd like to take the sakura road less travelled.

22 Apr - 1 May 2022
